9 Dec Wed	Scouts A 6.00-7.15pm ^{SM NT} Scouts B 7.45-9.00pm ^{SM KP}	Provisional start for indoor activities TBC

Social distancing: Please explain to young people that they must maintain social distancing (1m+) at all times. Leaders will explain how this works at the start of each session, but please remind them when you drop them off.

Small groups: We have split the Scout section into two sub-groups to keep our group sizes small. Please stay in your designated groups. Please don't change groups without checking with leaders first.

Drop-off/pick-up: Drop-off and pick-up times are staggered to minimise contact between groups. Please wait near your car and maintain social distancing. If you are bringing young people for more than one group, please wait in the car until the next session. Young people from different groups/sessions should be kept apart whenever possible.

What to bring: Full uniform is not required for outdoor sessions. Young people should wear group scarves and suitable outdoor clothing, including walking shoes/boots and a waterproof coat.

Drink/snacks: If required, young people must bring their own drinks/snacks. Please ensure they know that these must not be shared with anyone else.

Parent help: This will be arranged before the start of the session if required. You can help leaders by responding promptly to requests (by email) for parent help, but please don't turn up on the day to help, as it's important we know exactly who and how many people are attending each session. Your cooperation in this would be greatly appreciated.

InTouch: Parental contact with leaders should be primarily be email or mobile phone (details will be provided by email for each session). We are happy to see you in person when necessary, but please maintain social distancing at all times.
